Primary survey

373 Highlights from this issue

M Dawood

Editorial

374 Never, always and maybe. Addressing attitudes of patients towards emergency medicine research

M Biroš

Original articles

376 How do patients feel about taking part in clinical trials in emergency care?

J M Buckley, A D Irving, S Goodacre

381 Older patients with traumatic brain injury present with a higher GCS score than younger patients for a given severity of injury

A Kehoe, J E Smith, O Bouamra, A Edwards, D Yates, F Lecky

386 Is there a role for humidified heated high-flow nasal cannula therapy in paediatric emergency departments?

E Long, F E Babl, T Duke

390 Time to presentation and 12-month health outcomes in patients presenting to the emergency department with symptoms of possible acute coronary syndrome

L Cullen, J H Greenslade, L Menzies, A Leong, M Than, C Pemberton, S Aldous, J Pickering, E Dalton, B Crosling, R Foreman, W A Parsonage

396 Patient behaviour at the time of stroke onset: a cross-sectional survey of patient response to stroke symptoms

L Mellon, F Doyle, D Williams, L Brewer, P Hall, A Hickey

403 Management of the anticoagulated trauma patient in the emergency department: a survey of current practice in England and Wales

C E Battle, F E Lecky, T Stacey, A Edwards, P A Evans

Prehospital care

408 Prehospital management and identification of sepsis by emergency medical services: a systematic review

D Lane, R I Ichelson, I R Drennan, D C Scales

414 Paramedical risk framing during field referral of acute stroke and S-T elevation myocardial infarction patients

A G Campeau

418 A torso model comparison of temperature preservation devices for use in the prehospital environment

M Zasa, N Flowers, D Zideman, T J Hodgetts, T Harris

Reviews

423 Coagulation assessment with the new generation of oral anticoagulants

C V Pollack Jr

431 Should we be looking for and treating isolated calf vein thrombosis?

D Horner, K Hogg, R Body

Best evidence topic reports

438 Towards evidence-based emergency medicine: Best BETs from the Manchester Royal Infirmary

D Horner

438 BET 1: Give prehospital blood and save a life?

N Scott, S Sutton

439 BET 2: Should real resuscitationists use airway checklists?

G Hardy, D Horner
