

## **Human Factors Faculty**

### **Focus Groups Topic Guide**

Explain purpose of FG (not evaluation of course)

*Thinking ahead .....*

What do you think you're going to try in your own workplace ?

How might you go about that ?

How do you think your colleagues (of all professions/grades) will react to this approach ?

What difficulties do you anticipate ?

How do you think you might overcome them ?

Any wider thoughts about implementation ?

Any other points
